From the Executive Director -

Last fall, Wright in Kankakee partnered with the BLAST Program (Building Learners to Achieve Successful Transitions) from Community Unit School District #4. BLAST supports students with disabilities “through hands-on learning, students develop essential skills in independent living, vocational readiness, and community integration, empowering them to thrive beyond high school.” The class comes to the Bradley House weekly to assist with a variety of tasks including housekeeping, holiday decorating prep/cleanup, and store room organization. The enthusiasm of both the students and staff has made this a productive and enjoyable experience for all!
